NOTE ; Minimum order is from 1 unit. Most fabrics are suitable. Fabric required is approx' 6 to 7 times the area of each average flower. eg: (say a 10cm diameter typical flower is needed) 10 x 10 x 7 = 700sq cm or 10cm x 70cm of fabric per flower is required, or 16 flowers per meter off a 1.12m wide roll. Payment b phone, fax, direct credit, paypal, paymate, cleared Australian cheque & money order.. Fabric supplied should be wider than the flower required, squared off and no scraps if possible. Print your name or initials and identify right side of fabric on fabric selvedge or edge in ball point ink. Staple small fabric swatch to the side of the comments column. Delivery is about 2 weeks from receiving order unless prior arranged. If you require leaves etc.. specially placed, use the clock face method, taking th front top of the flower to be at 12 O'clock. Please state if you want brooch pins, hair clips or 'NO ATTACHMENTS' (no Att's). Traditionally handcrafted flowers are not water, dry clean or crush, resistant. If you require more information please call.
